## PAID UP OIL AND GAS LEASE

THIS LEASE AGREEMENT is made as of the 9<sup>th</sup> day of February, 2008, between J. T. Crenshaw, a married person and Stephanie R. Myers, a married person, as Lessor and CARRIZO OIL & GAS, INC., 1000 Louisiana Street, Suite 1500, Houston, Texas 77002, as Lessee. All printed portions of this lease were prepared by the party hereinabove named as Lessee, but all other provisions including the completion of blank spaces, were prepared jointly by Lessor and Lessee.

1. Description. In consideration of a cash bonus in hand paid and the covenants herein contained, Lessor hereby grants, leases and lets exclusively to Lessee the following described land, hereinafter called "leased premises".

## SEE EXHIBIT "A" ATTACHED HERETO FOR DESCRIPTION OF LEASED PREMISES

In the County of Tarrant, State of Texas, containing 0.152229 acres, more or less, (including any interests therein which Lessor may hereafter acquire by reversion, prescription or otherwise), for the purpose of exploring for, developing, producing and marketing oil and gas along with all hydrocarbon and non-hydrocarbon substances produced in association herewith. The term "gas" as used herein includes helium, carbon dioxide, gaseous sulfur compounds, coalbed methane and other commercial gases, as well as a normal hydrocarbon gases. In addition to the above-described land, this lease and the term "leased premises" also covers accretions and any small strips or parcels of land now or hereafter owned by Lessor which are contiguous or adjacent to the above-described land, and, in consideration of the aforementioned cash bonus, Lessor agrees to execute at Lessee's request any additional or supplemental instruments for a more complete or accurate description of the land so covered. For the purpose of determining the amount of any payments based on acreage hereunder, the number of gross acres above specified shall be deemed correct, whether actually more or less.

2. Term of Lease. This lease, which is a "paid-up" lease requiring no rentals, shall be in force for a primary term of **Three (3) years** from the date hereof, and for as long thereafter as oil or gas or other substances covered hereby are produced in paying quantities from the leased premises or from lands pooled therewith or this lease is otherwise maintained in effect pursuant to the provisions hereof.

3. Royalty Payment. Royalties on oil, gas and other substances produced and saved hereunder shall be paid by Lessee to Lessor as follows: (a) For oil and other liquid hydrocarbons separated at Lessee's separator facilities, the royalty shall be **One-Quarter (1/4)** of such production, to be delivered at Lessee's option to Lessor at the wellhead or to Lessor's credit at the oil purchaser's transportation facilities, provided that Lessee shall have the continuing right to sell such production to itself or an affiliate at the wellhead market price then prevailing in the same field (or if there is no such price then prevailing in the same field, then in the nearest field in which there is such a prevailing price) for production of similar grade and gravity; (b) for gas (including casinghead gas) and all other substances covered hereby, the royalty shall be **One-Quarter (1/4)** of the proceeds realized by Lessee from the sale thereof, provided that Lessee shall have the continuing right to sell such production to itself or an affiliate at the prevailing wellhead market price for production of similar quality in the same field (or if there is no such price then prevailing in the same field, then in the nearest field in which there is such a prevailing price) pursuant to comparable purchase arrangements entered into on the same or nearest preceding date as the date on which Lessee or its affiliate commences its purchases hereunder; and (c) in calculating royalties on production hereunder, Lessee may deduct Lessor's proportionate part of any production and excise taxes. If at the end of the primary term or any time thereafter one or more wells on the leased premises or lands pooled therewith are capable of producing oil or gas or other substances covered hereby in paying quantities, but such well or wells are either shut in or production therefrom is not being sold by Lessee, such well or wells shall nevertheless be deemed to be producing in paying quantities for the purpose of maintaining this lease. If for a period of 90 consecutive days such well or wells are shut in or production therefrom is not being sold by Lessee, then Lessee shall pay an aggregate shut-in royalty of ten dollars per net mineral acre then covered by this lease, such payment to be made to Lessor on or before the end of said 90-day period and thereafter on or before each anniversary of the end of said 90-day period while the well or wells are shut in or production therefrom is not being sold by Lessee; provided that if this lease is otherwise being maintained by operations, or if production is being sold by Lessee from another well or wells on the leased premises or lands pooled therewith, no shut-in royalty shall be due until the end of the 90-day period next following cessation of such operations or production. Lessee's failure to properly pay shut-in royalty shall render Lessee liable for the amount due, but shall not operate to terminate this lease. Lessee may not maintain this Lease in effect solely by the payment of shut in royalties for (i) any one period of more than Two (2) consecutive years or (ii) for shorter periods during times all wells are actually and physically shut in from time to time not exceeding five (5) years in the aggregate.

4. Shut-in Payment. All shut-in royalty payments under this lease shall be paid or tendered directly to Lessor at the above address, or its successors, regardless of changes in the ownership of said land. All payments or tenders may be made in currency, or by check or by draft and such payments or tenders to Lessor by deposit in the U.S. Mails in a stamped envelope addressed to the Lessor at the last address known to Lessee shall constitute proper payment.

5. Operations. If Lessee drills a well which is incapable of producing in paying quantities (hereinafter called "dry hole") on the leased premises or lands pooled therewith, or if all production (whether or not in paying quantities) permanently ceases from any cause, including a revision of unit boundaries pursuant to the provisions of Paragraph 6 or the action of any governmental authority, then in the event this lease is not otherwise being maintained in force it shall nevertheless remain in force if Lessee commences operations for reworking an existing well or drilling operations for an additional well or for otherwise obtaining, restoring or increasing production on the leased premises or lands pooled therewith within 90 days after completion of operations on such dry hole or within 90 days after such cessation of all production. If at the end of the primary term, or at any time thereafter, this lease is not otherwise being maintained in force but Lessee is then engaged in drilling, reworking or any other operations reasonably calculated to obtain, restore or increase production therefrom, this lease shall remain in force so long as any one or more of such operations are prosecuted with no interruption of more than 90 consecutive days, and if any such operations result in the production of oil or gas or other substances covered hereby, as long thereafter as there is production in paying quantities from the leased premises or lands pooled therewith. After completion of a well capable of producing in paying quantities hereunder, Lessee shall drill such additional wells on the leased premises or lands pooled therewith as a reasonably prudent operator would drill under the same or similar circumstances to (a) develop the leased premises as to reservoirs then capable of producing in paying quantities on the leased premises or land pooled therewith, or (b) protect the leased premises from uncompensated drainage by any well or wells located on other lands not pooled therewith. There shall be no covenant to drill exploratory wells or any additional wells except as expressly provided herein.

6. Pooling. Lessee shall have the right, but not the obligation to pool all or any part of the leased premises or interest therein with any other lands or interests, as to any or all depths or zones, and as to any or all substances covered by this lease, either before or after the commencement of drilling or production whenever Lessee deems it necessary or proper to do so in order to prudently develop or operate the leased premises whether or not similar pooling authority exists with respect to such other lands or interests. The creation

obtaining any additional or subsequent consent/s from Lessor. Lessor furthermore agrees not to execute documents or instruments or engage in acts that would diminish or adversely affect the relief Lessee is seeking.

19. Lessee is hereby given the exclusive option to extend the primary term of this lease for an additional two (2) years from the expiration of the original primary term plus any extension of the primary term extended under any lease provision contained herein. This option may be exercised by Lessee at any time during the last year of the original primary term, plus any extension periods, by paying to Lessor, herein, or their heirs, successors or assigns, the sum of Six Thousand Six Hundred Sixty Seven and No./100 Dollars (\$6,667.00) per net mineral acre. Lessee shall exercise such option by placing written notice of such election along with the payment in the U.S. Mail, postage prepaid, to Lessor at the above addresses, or by delivery of such notice and payment to Lessor, in either case, prior to the end of the primary term hereof, or if drilling operations are being conducted on the leased premises or upon lands pooled therewith at the expiration of the primary term in such manner as to maintain this lease in force, within thirty (30) days after the completion of the relevant operations. This option shall be deemed to be properly, timely and fully exercised if payment is forwarded by Lessee to Lessor's last known address on or before the expiration of the primary term or any extension thereof, either by, (i.) U.S. Mail, (ii.) Overnight Delivery Service, or (iii.) by personal delivery.

20. Breach or Default. No litigation shall be initiated by Lessor for damages, forfeiture or cancellation with respect to any breach or default by Lessee hereunder, for a period of at least 90 days after Lessor has given Lessee written notice fully describing the breach or default, and then only if Lessee fails to remedy the breach or default within such period. In the event the matter is litigated and there is a final judicial determination that a breach or default has occurred, this lease shall not be forfeited or cancelled in whole or in part unless Lessee is given a reasonable time after said judicial determination to remedy the breach or default and Lessee fails to do so.

21. Warranty of Title. Lessor hereby agrees to defend title conveyed to Lessee hereunder, and agrees that Lessee at Lessees' option may pay and discharge any taxes, mortgages or liens existing, levied or assessed on or against the leased premises. Lessee agrees to pay for the costs of any lien subordination that Lessee may request from Lessor's lender. If Lessee exercises such option, Lessee shall be subrogated to the rights of the party to whom payment is made, and, in addition to its other rights, may not reimburse itself out of any royalties or shut-in royalties otherwise payable to Lessor hereunder. In the event Lessee is made aware of any claim inconsistent with Lessor's title, Lessee may suspend the payment of royalties and shut-in royalties hereunder, without interest, until Lessee has been furnished satisfactory evidence that such claim has been resolved.

22. Other than Lessors gross negligence or willful misconduct, Lessee agrees to indemnify and hold Lessor harmless from any and all liability, damages, reasonable attorney's fees, expenses, causes of action, suits, claims or judgments of any kind or character for injury to persons or property caused by Lessee's operations on the subject land.

IN WITNESS WHEREOF, this lease is executed to be effective as of the date first written above, but upon execution shall be binding on the signatory and the signatory's heirs, devisees, executors, administrators, successors and assigns, whether or not this lease has been executed by all parties hereinabove named as Lessor.

IN WITNESS WHEREOF this instrument is executed on the date first above written.

EXHIBIT "A"

ATTACHED TO AND MADE A PART OF THAT CERTAIN OIL AND GAS LEASE DATED Feb, 9th, 2008, BY  
AND BETWEEN J. T. Crenshaw, a married person and Stephanie R. Myers, a married person, AS LESSOR AND CARRIZO OIL &  
GAS, INC., AS LESSEE.

LEGAL DESCRIPTION

LOT 9, BLOCK 28, OF RIVER TRAILS ADDITION, PHASE III, AN ADDITION TO THE CITY OF  
FORT WORTH, TARRANT COUNTY, TEXAS. ACCORDING TO THE PLAT THEREOF RECORDED  
IN CABINET A, SLIDE 1494, PLAT RECORDS, TARRANT COUNTY, TEXAS.

Addendum

**I. DEFINITIONS**

As used herein, "River Trails" includes the area bordered by the following:

North: by Trinity Boulevard;  
East: Precinct Line Road  
South: by Saranac Trail  
West: by Salado Trail

Lessee shall hire an independent surveyor to conduct the survey, and shall pay all expenses associated with the survey. Attached hereto as Exhibit "B" is a map of the area comprising "River Trails" as defined herein.

For the same consideration stated above, Lessor agrees and does hereby communitize their mineral interest in the "River Trails" Subdivision with all other mineral owners in the "River Trails" Subdivision entering into a Carrizo lease which contains a similar communitization provision. Such communitization shall be based upon a fraction with a numerator reflecting the amount of net mineral acres contributed by each respective communitizing Lessor and a denominator reflecting the total number of acres covered by the "River Trails" Subdivision which for the purposes of this provision shall be deemed to contain 297 acres of land, more or less. It is expressly understood and agreed, in the event all or part of the Lease is released and/or the Lease fully or partially expires, that each respective communitizing Lessor shall own their respective and separate mineral interest, which is so released or which expires, in the same manner and/or proportion as immediately prior to the date of execution of this lease as fully as though this lease had never been executed. Pooling all or part of River Trails Subdivision shall perpetuate the mineral interest covered by this lease pursuant to the pooling provision contained herein. Any non released and/or non expiring mineral interest cover by this lease shall continue to be administered as a communitized mineral interest under this provision. .
